Hitachi Zosen Group / Hitachi Zosen Inova Has Acquired Biogas Company in Italy

Hitachi Zosen Inova AG (Switzerland, hereafter “HZI”), a wholly-owned subsidiary of Hitachi Zosen Corporation that designs, constructs, operates and maintains waste-to-energy plants and biogas plants, has acquired a majority stake in Schmack Biogas Srl (Bolzano, Trentino-Alto Adige, Italy, hereafter “Schmack Biogas”), a biogas business mainly in Italy and made it a subsidiary.

For the details, please refer to the announcement at HZI’s corporate website:
